

NATIVE LANDS

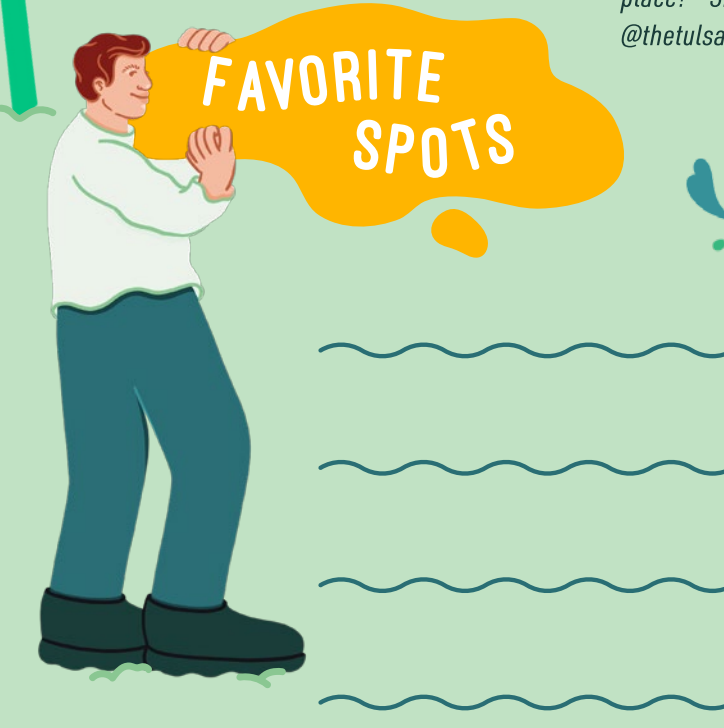

We honor and acknowledge the indigenous peoples and those who were forcibly removed, including the **Ni-u-kon-ska** (Osage), **Kitikitti'sh** (Wichita), **Kadohadaccho** (Caddo), **Mvskoke** (Muscookee [Creek]), and **Tsalagi** (Cherokee) Tribal Nations as the original inhabitants and keepers of the land and water that we now call Tulsa, Oklahoma.

WEST

FAVORITE SPOTS

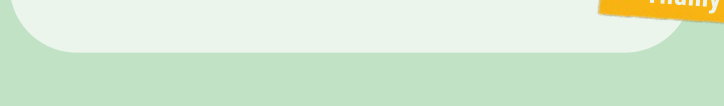

Tulsa was settled between 1828 and 1836 by the **Lochapoka Band of Creek Native American** tribe. They named their new settlement **Tallasi**, meaning "old town" in the Creek language, which later became "Tulsa".

GREENWOOD LAND ACKNOWLEDGEMENT

We acknowledge that 103 years ago, this neighborhood and hundreds of lives were destroyed by the ignorance of racism and the violence of hate.

We realize that the fight for equality is far from over, and we stand and lend our voices to those in the struggle for human rights.
